

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Acceptance of Excavation Improvements at E-Basin (Westgate Park)

MEETING DATE: October 20, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution accepting the excavation improvements for E-Basin (Westgate Park).

BACKGROUND INFORMATION: Excavation improvements at E-Basin (Westgate Park) have been completed in substantial conformance with the requirements of the agreement between the City of Lodi and Robert Batch, recorded March 2, 1993, as shown on Drawings No. 92D121 and 92D122, and as specifically set forth in the plans and specifications approved by the City Council.

The City's agreement with Mr. Batch purchased 15.99 acres for the purpose of installing a storm drainage basin. Included in the agreement was Mr. Batch's responsibility for excavating the basin per City-approved plans. Mr. Batch was also responsible for installing and maintaining a temporary fence around the excavation during the construction period. The temporary fence is still in place and the City has taken over the rental agreement with the fence company. When the temporary fencing is removed, there is also some minor grading that must be done between the back of the sidewalk and the fence line for the basin. The permanent fence installation and the minor grading of the park are included in the draft 1994 Capital Improvement Program. The excavation work has been completed to the satisfaction of the Public Works Department and is now ready for the City's acceptance.

FUNDING: Not applicable.

SUBJECT: Acceptance of Excavation Improvements at E-Basin (Westgate Park)

At its meeting on Wednesday, October 20, 1993, the City Council of the City of Lodi accepted the excavation improvements made in the subject project. Once the temporary fencing is removed, the City will be responsible for the minor grading between the back of the sidewalk and the fence line and for the permanent fence installation.

Enclosed for your files is a copy of the resolution accepting the excavation improvements. From the date of the resolution, the City of Lodi will maintain the excavation area as shown on the approved plans.

If you have any questions, please contact me.
